

Direct Sales

Implementing a direct sales force may not be cost effective! TiMae offers recommendations for existing customers, the acquisition of new customers, International sales, commission sales plans, up-sell and cross sell, and forecasting. We can help you implement, deploy and execute a sales call center; inbound and outbound calls. TiMae can help to reduce your risks while protecting your investment.

Deliverables are:

- Customer Satisfaction & Retention
- Vertical Industry Segmentation
- Customer Acquisition

Marketing

With proven strategies that increase the likelihood that clients will adopt your products and services and that provide faster route to market and greater profits; we offer industry market segmentation, case study & references posting, trade-shows and conference recommendations, industry solution campaign initiatives and product launching techniques to help your business grow faster. Deliverables are:

- Event Campaigns
- Budget
- Product/Service Launching

Channel

Capturing unforecasted revenue, instant creditability and market presence, TiMae offers channel strategy partnership engagements where costs and risks are minimum and higher levels of revenue are achieved. Deliverables are:

- Project Management
- Channel Segmentation
- Value Proposition

Professional Recruiting

Information Technology - connecting projects to skilled professionals; connecting On-Demand positions to rapid talent deployment or placements. Whether your objectives are short or long term, TiMae offers permanent and contractual qualified professionals in the area of sales, marketing, software development, technical, project management and management. Our candidates are trained, screened and assessed based on our client's specific requirements, thus resulting in success. Deliverables are:

- Professional Search
- Screening & Assessment
- Workforce Management

Event Planning

Frustrated with doing registration my hand? What site location should I invest in? Whether your needs are production management, dashboards/scorecards assessments, venue management or creative presentations, TiMae is a full-service event management services company. For your special event, we deliver the right budget, the winning message, in the right order, at the right time. Give us a try!

Deliverables are:

- Target Market Communication
- Site Selection
- Event Registration
